**TESTIMONIES:** Ambassador Charles Oruitemeka's Home Fellowship; From Mrs Grace Ayah Stephen. I began feeling ill in July 2024, and I took necessary medications. Two months later, I observed some moving sensations in my body, all the way from my abdomen to my back. As a result, I suffered insomnia. Few weeks later, I noticed that my feet were swollen. I went for a checkup and discovered that my body was retaining more water due to hormonal imbalance caused by premenopause. The illness negatively affected my attendance in my home fellowship for a month because my legs were too heavy, and I could not walk properly. On Tuesday, November 5th 2024, I slowly walked to my home fellowship, against all odds. There, I took the Holy Communion with deep understanding and declared my healing. That night, I took my prescribed diuretic pills. Four days later, the swelling was gone. Now, I am completely healed! Thank You, Jesus!" **3 MINS**
